POKEMON CARDS

I know that the children love to play with their Pokemon Cards in the building, but starting immediately I am going to ask that the students **DO NOT** bring them into the school building. We have had a lot of issues with students and misunderstandings, lost cards, and a ton of other scenarios that you could only imagine.

So, in order to help the students not to lose their valuable cards, I am asking that they simply **NOT** bring them into the school building, as we cannot continue to investigate different situations with these cards as we have many other important items that my staff needs to cover with your children.

Thank you for your patience and understanding in this matter.

SOL Calendar in May

Summer School July 2023

Occoquan will be the Central location for Summer School to be held this year. The dates will be from July 10-28, and the program will run from 9:00 AM to 12:30 PM during these dates. If you are interested in registering your child, please do so via ParentVue. The link below is the link for PWCS with all of the information the county has posted thus far.

Registration opens on April 10 and closes on May 26.

Kindergarten Registration for Fall 2023

Early KG Registrations begin on March 20, 2023. Below is a link with information to help you better navigate the new way of registering your child for kindergarten. If you have any questions, please reach out to the front office or email Ms. Watts at wattslm1@pwcs.edu

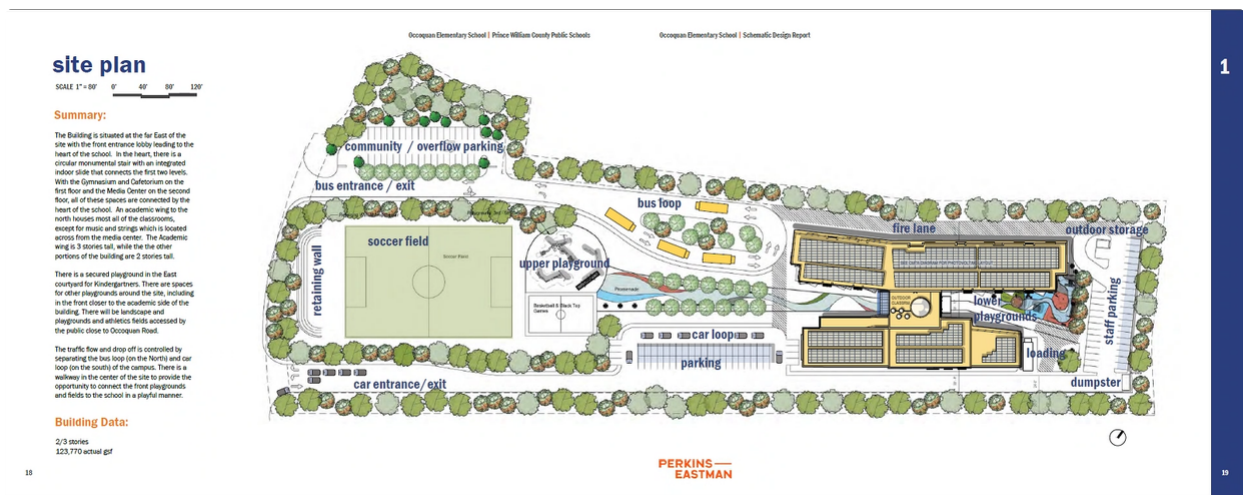

https://www.pwcs.edu/departments/student_services/registration_new_students_and_transfers_kinder_garten_registration/index

5th Grade Promotion

We will be hosting our 5th Grade Promotion a little bit differently this year, AGAIN. We will be trying to combine the past celebrations Pre-Pandemic with some Post-Pandemic celebrations to create a new style of promotion. We will be hosting this year's event at Gar-Field High School in their Auditorium, as Woodbridge's will be under renovation. It will happen on June 12 @ 6:00 PM.

Construction on the New Building

Construction on Occoquan's new building began recently when they started digging two of the one-hundred-ten holes they will need to dig for our geothermal energy. It has been an exciting time. The students are predicted to move into the building in February 2025. The new building will be located on the grass behind the playground. Construction will officially begin in January 2024, but they will continue to work on some of the other aspects that take a little longer well before that time frame.

Free Homework and Tutoring App for PWCS Students

FREE, 24/7, unlimited tutoring and writing support for you!

To log in:
