you download the app, it will prompt you with a few questions, and then you will need to enter a school system code. This code is: 76348

School Quality Profile (AKA: SOL Results)

On Thursday, August 18, the Virginia Department of Education (VDOE) released the annual [Virginia Standards of Learning \(SOL\) test results](#) and updated the [School Quality Profile](#). It is clear we still have a long road to full academic recovery. Although PWCS has realized increases in reading and math scores and remains above the state average, our SOL scores reaffirm the impact the pandemic has had on student learning. PWCS will work diligently to support continued academic progress, acceleration, and recovery.

Title I Information

PARENTAL RIGHT TO INFORMATION ABOUT TEACHERS

The Elementary and Secondary Education Act, most recently reauthorized as the Every Student Succeeds Act, states that parents in Title I schools have the right to request certain information about their child's teachers. The information that you have a right to request about your child's teacher is:

1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subjects the teacher is teaching.
2. Whether the teacher is teaching under emergency or other provisional status through which state qualification or licensing has been waived.
3. The baccalaureate degree major or certification or degree held by the teacher, and the field of discipline of the certification or degree.
4. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

At Occoquan Elementary School, we are extremely proud of our teachers and paraprofessionals, and are happy to provide you with any of the information above pertaining to your child's teacher(s). If you have such a request, please call the school at 703.494.2195 and ask for the information you are interested in.

Parental Notification of Assessment Opt Out Policies under The Every Student Succeeds Act of 2015

According to the Virginia Department of Education, "All students in tested grade levels and courses are expected to participate in Virginia's assessment program, unless specifically exempted by state or federal law or by Board of Education regulations." On December 10, 2015, the Every Student Succeeds Act of 2015 (ESSA) was signed into law. Section 1112(e)(2) of ESSA states that parents of students in Title I schools have a right to know about state or division policies regarding student participation in or any assessments mandated by ESSA, including any policy, procedure, or parental right to opt students out of such assessments. The Commonwealth of Virginia does not currently have an Opt-Out policy for SOL assessments. However, Section 22.1-253.13:3.C of the Code of Virginia states that, "The Board of Education shall not include in its calculation of the passage rate of a Standards of Learning assessment for the purposes of state accountability any student whose parent has decided to not have his child take such Standards of Learning assessment, unless such exclusions would result in the school's not meeting any required state or federal participation rate." Prince William County Public Schools regulations state that, if a parent or guardian decides to not have a student take a state or local assessment, then the person making the request should be informed about the academic consequences that decision could have on the student.
